

# andrew thomas

Children's Illustrator & Animator

## ABOUT

Andrew Thomas is a children's illustrator and animator passionate about creating engaging content that inspires kids to have fun and to be creative!

Working with transformational educational initiatives like Project Lead The Way and The Language Project, Andrew is passionate about opportunities to further the future of education with his work.

A storyteller and a child at heart, Andrew has illustrated over a dozen published children's books with indie authors and publishing houses.
